

Zhengye Biotechnology Holding Limited Comments on Unusual Trading Activity

07-21-2026

Jilin, China, July 21, 2026 (GLOBE NEWSWIRE) -- Zhengye Biotechnology Holding Limited (Nasdaq: ZYBT) (the "Company" or "Zhengye"), a veterinary vaccine manufacturer that encompasses research, development, manufacturing, and sales of veterinary vaccines, with a focus on livestock vaccines in China, today issued the following statement in response to recent unusual trading activity in the price and trading volume of its Class A ordinary shares.

The Company does not normally comment on market activity or rumors. However, in light of the magnitude of the recent trading activity in the Company's securities, the Company is providing the following statement.

The Company confirms that it is not aware of any material non-public information regarding the Company, its business, financial condition, or operations that would account for the recent increase in trading activity in its securities. The Company's business operations continue in the ordinary course, and there have been no undisclosed corporate developments, transactions, or events that management believes would explain the recent price or volume movements.

The Company has been in contact with Nasdaq regarding the recent increase in trading volume of the shares of the Company and will continue to cooperate with Nasdaq and other relevant regulatory authorities as appropriate.

Shareholders and prospective investors are cautioned to exercise care when evaluating the Company's securities in light of the recent volatility and to rely only on information contained in the Company's filings with the U.S. Securities and Exchange Commission.
